Giardino Botanico Alpino

Il Giardino Botanico Alpino Viote, 10 ettari di superficie a 1538m s.l.m., è uno dei più grandi e antichi delle Alpi. Uno scrigno di biodiversità alpina dove, tra aiuole rocciose, laghi e torbiere, puoi ammirare oltre 2.000 specie di piante rare provenienti da tutto il mondo, raccolte a partire dal 1938.

Botanischer Alpengarten Viote Monte Bondone

Der botanische Alpengarten Viote, eine Fläche von 10 Hektar auf 1538 m ü. M., ist einer der größten und ältesten der Alpen. Eine Schatzkiste alpiner Biodiversität, in der du zwischen felsigen Blumenbeeten, Seen und Torfmooren über 2.000 Arten seltener Pflanzen aus aller Welt bewundern kannst, die seit 1938 gesammelt wurden.

Viotte Alpine Botanical Gardens Monte Bondone

The Viotte Alpine Botanical Gardens, covering 10 hectares at 1,538 m a.s.l., are some of the biggest and oldest in the Alps. A treasure chest of Alpine biodiversity with rockeries, lakes and peat bogs where visitors can admire over 2,000 species of rare plants from all over the world that have been collected since 1938.

Panchina gigante

Realizzata con legno di recupero degli alberi abbattuti dalla tempesta Vaia, la Panchina Gigante in località Montesel è raggiungibile in circa 25 minuti a piedi partendo dalla Piazzetta Vason, su facile strada sterrata. Salendo sulla Panchina Gigante si prova la sensazione di godersi la vista sulla Valle dell'Adige e le cime circostanti come se "si fosse di nuovo bambini". Un'esperienza intensa, da condividere con gli altri.

Riesenbank

Die Riesenbank von Montesel wurde aus dem Holz der vom Sturm Vaia gefällten Bäume gebaut und ist von der Piazzetta Vason aus über eine einfache Schotterstraße in etwa 25 Minuten zu Fuß zu erreichen. Wenn man die Panchina Gigante besteigt, hat man das Gefühl, die Aussicht auf das Etschtal und die umliegenden Gipfel zu genießen, als wäre man „wieder ein Kind“. Eine intensive Erfahrung, die man mit anderen teilen sollte.

Giant Bench

Made from reclaimed wood from storm Vaia, the Giant Bench in Montesel can be reached in about 25 minutes on foot from Piazzetta Vason, along an easy dirt road. Climbing the Giant Bench gives you the feeling of enjoying the view over the Adige Valley and the surrounding peaks as if "you were a child again". An intense experience, to be shared with others. Bondone. The works are entitled "The bear with the suitcase" and "The giant goat".

Terrazza delle Stelle

Uno spazio lontano dalle luci e dai rumori della città dove scoprire la volta celeste.

In estate la Terrazza si trasforma in un magico palcoscenico per concerti di musica classica e leggera, animazioni e spettacoli, approfondimenti a tema astronomico e tante, tantissime stelle.

Terrasse der Sterne

Ein Raum abseits der Lichter und des Lärms der Stadt. Lass dich auf eine fantastische Reise entführen, um das Himmelsgewölbe zu entdecken.

Und im Sommer verwandelt sich die Terrasse in eine magische Bühne für Konzerte von klassischer und Unterhaltungsmusik, Animationen und Shows, Einblicke in astronomische Themen und viele, viele Sterne.

Terrace of the Stars

Somewhere far from the city lights and noise. Let yourself be carried on a fantastic journey of discovery of the heavenly bodies. And in the summer, the Terrace becomes a magical stage for classical and pop music concerts, animation and shows, talks about astronomy and lots and lots of stars.

Riserva Integrale Tre Cime del Monte Bondone

La riserva, che si estende per 185 ettari, vanta da un punto di vista naturalistico una flora ricca e interessante. Nella conca di origine glaciale delle Viotte, inoltre, si trova una torbiera cosiddetta "Piana" o "Palù di Bondone". Si tratta di un biotopo di vitale importanza per la riproduzione di molte specie di anfibi e rettili.

Reservat Tre Cime del Monte Bondone

Das Reservat, das sich über 185 ha erstreckt, weist aus naturkundlicher Sicht eine wertvolle und interessante Flora auf. In dem aus Gletschern entstandenen Viotte-Becken, befindet sich ein Torfmoor, das "Piana" oder "Palù di Bondone" genannt wird. Es ist ein äußerst wichtiges Biotop für die Fortpflanzung vieler Amphibien- und Reptilienarten.
